## *From the Baron and Baroness*

Unto the Populace of the Debatable Lands do Byron and Ariella, Baron and Baroness, Send fond Greetings!

We wish first to congratulate the Barony on the recent fighting events, the Siege of Harlech Castle and War College, and we encourage event bids in the coming year that will focus on arts and sciences, as well.

We also extend our thanks to the seamstresses who came to help Their Royal Highnesses prepare garb for their upcoming reign. Our Barony has opportunities to shine in many ways to aid our Royalty on the Sylvan Thrones, but even more so when they are local.

We know this Althing will be published after the demo at the Pittsburgh Zoo on June 20th and 21st; Lady Rufina deserves much credit for her organizational efforts.

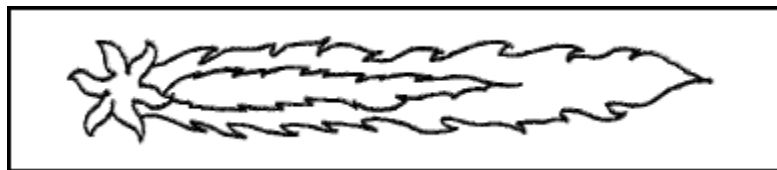

We now turn our attentions to the Pennsic War. We would like to support the Kingdom by guarding the Royal gate on Wednesday of War Week. Please contact us or sign up in the Baronial Camp for an hour-long shift. This year, we are asking for only one guard per shift, unless two friends want to spend the time together.

The officers of the Barony will be undergoing change over the next few months. Even as we bid our Seneschal, Fredeberg, a fond goodbye (thankfully, for the best of reasons), we welcome our interim Seneschal, Hilda, with open arms. As Hilda leaves her post as Exchecher, we also welcome a familiar face back to the office: our predecessor, Baron Tofi.

As always, we welcome the chance to meet gentles new to the Society and welcome your letters of recommendation for those who are doing meritorious acts.

Penned on this Day of honor for our own Saint William of York

Byron and Ariella

## *Next General Barony Meeting*

**July 19, 2009 at 1:00pm**

This meeting will be held at the Washington Boulevard site, where fighter practice is held.

## *Greetings from your Chatelaine!*

Greetings,

I am seeking a friendly, outgoing person to take over the Office of Chatelaine. The Chatelaine is responsible for organizing any possible demos, greeting new members to the Society and ensuring that they feel welcome to our local group.

The Chatelaine is a major point of contact for new folks, helping out with recruitment opportunities and demos as they come up.

Organizational skills, people skills and friendliness are a must.

Any interested parties, please contact me via email or phone and I'd be happy to talk more about it.

Yours In Service,  
Helewys Spynnere

## *Greetings from Cour d'Or,*

Summer sees our activity in the College slow down. While we do not have any activities or events planned for the rest of the summer or autumn, please consider planning or suggesting one.

Our presence at the student activities fairs is not yet confirmed by either Pitt or CMU, but I will inform you as soon as I know more. I would like to try a different approach to it at the Pitt activities fair which may not involve the numbers we are used to. If you have videos or photos that you would like to be included in a slideshow or video montage, please let me know. I would like to put together a multimedia presentation for future demo use. Guilds, please consider producing a quarter-sheet "what we do at our meetings and why you should join us" handout. If you would like suggestions on what should go on one, please let me know and I'll be happy to help you put it together.

I'm also looking to put together a bid for another Spear and Fencing Tourney for the fall. If you are interested in helping out, please get in touch with me. I'm looking for assistance organizing the tourney part at this point, though any help is appreciated.

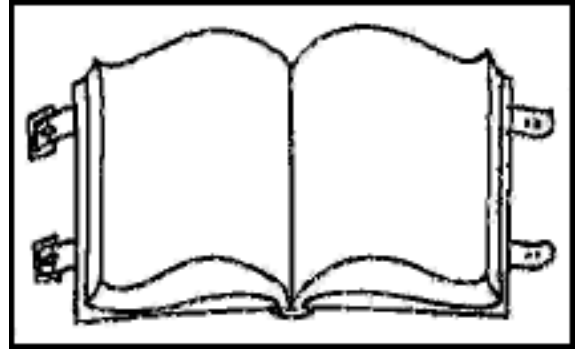

Finally, my term as Seneschal is up in November and I do not seek a third term. The Seneschal needs to keep tabs on the status of the Medieval Interest Group at Pitt and the SCA at CMU. He or she also will be required to file quarterly reports with the kingdom Seneschal. The position is as much or as little as you make it, for it holds great potential. If you would like more information or have a question, please email [arcapps@gmail.com](mailto:arcapps@gmail.com) or call 412-916-4802.

Yours in service,  
Rosalia Iuliana Andere  
Seneschal

## *From the Chronicler: NEWS!*

In the upcoming July AESTEL, there is to be found the complete list of the Kingdom of Æthelmearc's Sylvan Quill Prize Winners and, as such, nominees for AS 43 Society's Blackfox Awards. However, there are two awards of local interest, and with amazement and great pleasure, I humbly give to you this news from the Chronicler of the Kingdom of Glorious Æthelmearc:

## *Winner - Best Overall Newsletter*

This does not necessarily mean the best-looking newsletter, but rather the newsletter which best meets the needs of the local group or guild for which it is published. It should accurately reflect the status of the group and be a valuable tool for growth and promotion of the SCA goals and ideals. This title is awarded to the newsletter and the Chronicler.

**The Althing – Barony Marche of the Debatable Lands**

**Chronicler: Lady Ana Malakina (Ann Kopchik), and Elss of Augsburg (Rocky Hayeslip)**

## *Winner - Best Special Edition*

For Arts & Sciences issues, or other limited-focus issues of a geographic group (Canton, Shire, Barony, etc.). Awarded to the newsletter and the Chronicler.

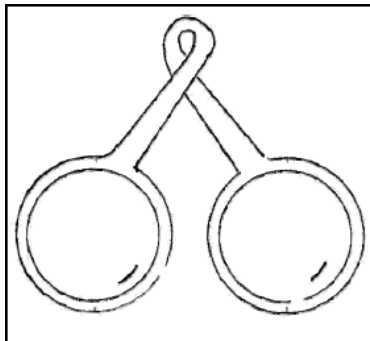

Full Tilt – Barony of Delftwood

Chronicler: Helene al-Zarqá (Elizabeth L. Dunn)  
Nominated for the Arts & Sciences issue, May XLIII

**Honorable mention: The Althing - Barony Marche of the Debatable Lands**

**Chronicler: Lady Margretha La Fauvelle, Guest Editor,  
Nominated for the Arts & Sciences Edition**

NOTE: The July AESTEL incorrectly credits the wrong person as the Chronicler for the A&S Edition. The August AESTEL will carry the correction made here, correctly crediting the Lady Margretha La Fauvelle.

## *Unto the Populace of the Debatable Lands, Greetings!*

I have been asked by the officers to step in on a temporary basis to allow for a smooth transition to a new Knight Marshal, Lord Bors' term having ended at the June Officers' Meeting without a clear successor ready to step in.

All applicants for the position need to send a letter to me at [knightmarshal@debatablelands.org](mailto:knightmarshal@debatablelands.org) and to the Baronial Seneschal, Lady Fredeburg at [seneschal@debatablelands.org](mailto:seneschal@debatablelands.org), with the following information:

- Proof of current membership;
- Proof of residency within the Debatable Lands (i.e. mundane proof of address of some sort) or a note with permission from the seneschal of the group you currently live in to hold an office in another local group;
- A resume of all SCA relevant skills and experience which you would bring to the position;
- If you are a current warranted marshal, please include proof of that, including when your current warrant expires.

You will need to arrange for this to be \*received\* (by me) at my home by Friday July 24 - as I am leaving for Pennsic on Saturday July 25 – or be hand-delivered at Pennsic by Saturday August 1. The officers will be having a short meeting before the baronial gathering on Sunday August 2, at 4pm, when the decision on who will be put in this position will be determined. Said gentle will take office as soon afterwards as can be confirmed by the Kingdom Earl Marshal (and given that he camps across the street from me, he should be very easy to find).

I will not be putting in a letter for the position myself, as I've already held the office twice previously in the past ten years, as well as having been Kingdom Earl Marshal during that time span, and feel that someone else should be given the opportunity to serve our barony.

The duties of the Knight Marshal include:

- Being responsible for all martial activities within the barony, and insuring that there are warranted marshals for the practices of the various martial disciplines and activities;
- Reporting quarterly to the Kingdom and Regional Marshals on the status of martial activities in the barony;
- Reporting to the baronial officers at each officers meeting on the status of martial activities in the barony, or sending a proxy to do so;
- Keeping the martial community informed of any rules changes, requirements, and so forth, and the enforcement thereof;
- Being the marshal-in-charge for all baronial armored combat practices or arranging for another warranted marshal to act as such in your absence;
- Insuring that all local events with martial activities have the appropriate warranted marshals on the event staff;
- Maintaining and transporting the loaner armor as needed;
- Finding a winter fighting practice site (unless Their Excellencies really want us in Their garage for the foreseeable future ...).

None of these, individually or together, are onerous tasks, and there are a large number of experienced members of the martial community who I am certain will help you complete your duties as you need it.

So I encourage all interested parties to submit a letter, and show their willingness to help maintain the great martial tradition of the Debatable Lands.

In Service,

Sir Koredono

Knight Marshal, Debatable Lands

## *An Extraordinary Event -- Dragon Renaissance Days*

Greetings, Good Gentles!

On the weekend of Father's Day, the Pittsburgh Zoo hosted Dragon Renaissance Days, and the good people of the SCA, in the form of the inhabitants of the Barony-Marche of the Debatable Lands and our nearby neighbors, were invited to take part. You could say instead that we didn't only take a part – we took the whole thing!

For those of you who could not attend, be assured that nearly every type of SCA activity was represented:

Vivant! Congratulations to the Amazing Rufina Saavedra, for the absolutely outstanding job that she did pulling together all the diverse groups that participated. All should be in awe of her organizational skills – no challenge was too great, no detail too small, for her to cope with.

Vivant! To the heavy weapons fighters, who fought with vim and vigor in the sweltering sun, both Saturday and Sunday; many times there were a hundred and more people standing and watching with delight and amazement. Many thanks to those of you who lent your swords and shields and battleaxes and gauntlets (especially Thomas!) to be taken and shown to the children in the crowd. Could you see the joy and delight on their faces?

Vivant! To the talented gentles who brought their cherished A&S projects and patiently demonstrated and discussed their art and activities with hardly time to catch their breath. There was not a visitor there that did not find something amazing to catch their attention – feast gear, beautiful clothing, exquisite tapestry work, book-binding, tablet weaving, calligraphy and illumination, armor, recipes and cooking, and more, more, more. At times the tables were crowded eight deep, all straining to see and hear.

Vivant! To the fencers, the dancers, the singers, the youth fighters, to those who organized their groups and areas, to those who helped haul stuff, or ran errands, or simply talked to people about the SCA. It was impossible to be everywhere and see everything (though probably Rufina did!) – Could we hear some news about how your activities went in the other areas?

The very best of the SCA was on display at the Pittsburgh Zoo those days. Vivant to all who participated, and again, congratulations to **THLady Rufina Saavedra**, organizer extraordinary!

So noted and described this twenty-ninth day of June, a.s. xlv by –

Els of Augsburg, Chronicler of the Barony-Marche of the Debatable Lands

Her Excellency, after having considered the performances of the entrants to challenge for right to be the next Baroness' Bard, invited Lady Margretha la Fauvelle to come forward and did name her Baroness' Bard, and present her with a baldric to proclaim her station as such.

Their Excellencies reminded the populace that the next barony meeting would be held at Their home, the castle in Wexford, in conjunction with fighting practice in March.

Court Closed.

## *Pennsic News*

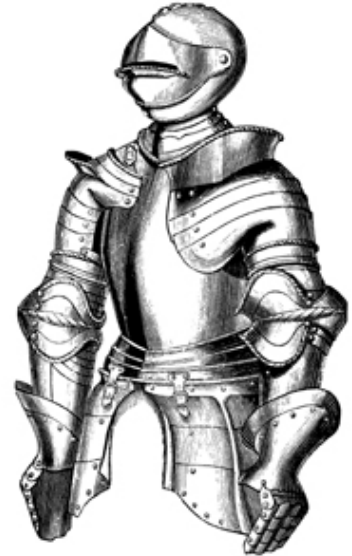

Unto the children and parents of the Known World do Mistress Rhonwen glyn Conwy and THL Tyzes "Zsof" Sofia send greetings!

For the past six years we have run (with the able co-direction last year from Mistress Anne of Framlingham) the Children's Theatre at Pennsic. Due to mundane obligations (Rhonwen's pregnant! yay!), we are going to be taking this year off. We are sorry for any disappointment this may cause and encourage you to try some of the other activities that Pennsic has to offer.

We plan to bring Children's Theatre back at Pennsic 39 and look forward to seeing all of you then.

In Service,

Rhonwen and Zsof

## *An Important Message to All the Populace!*

In this issue of the Althing, you will find the Order of Precedence!

The Order of Precedence is the record of awards that have been given to the people that belong to a group. This Order of Precedence is for the Barony-Marche of the Debatable Lands and its subsidiary groups, the Canton of Steltonwald and the College of Cour d'Or.

The OP is a tool that tells us several things. The most important function of the OP and its main use in period was to carefully track rank. This was important for determining lines of succession for inheritance in period. In the SCA, the Ranking on the OP determines in what order individuals will march in processions and for giving toasts at feast. Vivant!

The OP is also the official list of SCA awards that individuals have received, and it is commonly used while writing letters of recommendation to the royalty – the writer will want to check what awards each person has and does not have.

As you review the OP, you will notice that some people on the OP have many names listed; the name preceded by a bullet point is the name registered with the SCA College of Arms. If a person has changed their name, or has multiple names that they use, those names would be listed in parentheses. If you notice any missing or incorrect information, please let your local herald know so that we can correct the OP.

Yours in Service,

Brandubh O'Donnghaile

Former Precedence Editor
